## Independent Accountant's Compilation Report

**To the Board of Directors  
Washington State Major League Baseball Stadium  
Public Facilities District  
Seattle, Washington**

Management is responsible for the accompanying financial statements of Washington State Major League Baseball Stadium Public Facilities District (the District), which comprise of the balance sheet as of December 31, 2017, and the related statements of revenues, expenses, and change in net position, and cash flows for the year then ended, and related notes to the financial statements in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

### Required Supplementary Information

Accounting principles generally accepted in the United States of America require that management's discussion and analysis, on pages 2 through 5, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. This information is the representation of management. This information was subject to our compilation engagement, however, we have not audited or reviewed the required supplementary information and, accordingly, do not express an opinion, a conclusion, nor provide any form of assurance on such information.

**Management's Discussion and Analysis  
December 31, 2017**

---

The Management's Discussion and Analysis of Washington State Major League Baseball Stadium Public Facilities District (the District) is designed to:

- Assist the reader in focusing on significant financial issues.
- Provide an overview of the District's financial activity.
- Identify changes in the District's financial position and their ability to meet future challenges.

The Management's Discussion and Analysis focuses on the current year's activities, resulting changes and currently known facts. Therefore, it should be read in conjunction with the District's financial statements.

**Overview of the Financial Statements**

The District's financial statements consist of Management's Discussion and Analysis (this section), and financial statements required by the Governmental Accounting Standards Board (GASB). The financial statements include the District's financial statements and notes to the financial statements.

- The financial statements provide information about the District's overall financial position and results of operations. These statements, which are presented on the accrual basis, consist of the Balance Sheet, Statement of Revenues, Expenses, and Change in Net Position, and the Statement of Cash Flows.
- The financial statements also include a "Notes to Financial Statements" section that provides additional information that is essential to a full understanding of the data provided in the District's statements.

The District's statements report information about the organization as a whole using accounting methods substantially similar to those used by private sector companies and private nonprofit corporations. The balance sheet includes all of the District's assets, deferred outflows, liabilities, deferred inflows and net position. All of the current year's revenues and expenses are accounted for in the statement of revenues, expenses, and change in net position regardless of when cash is received or paid.

**Fund Financial Statements** - The fund financial statements are the traditional reporting format for governments. A fund is a fiscal and accounting entity with a self-balancing set of accounts used to account for specific activities or meet certain objectives. The District only has one fund type, proprietary funds.

Proprietary funds are used by governments to account for their business-type activities and use the same basis of accounting utilized in private industry. Business-type activities provide specific goods or services to a group of customers that are paid for by fees charged to those customers. There is a direct relationship between the fees paid and the services rendered.

The District has one type of proprietary fund, enterprise funds. Enterprise funds are used to report any activity for which a fee is charged to external users for goods or services.

**Financial Highlights**

- The District's net position decreased by \$7,725,228 as a result of current year operations. This is primarily due to an increase of \$362,629 in general and administrative expenses when compared to prior year and annual depreciation expense of \$12,985,012, partially offset by \$6,076,766 in operating revenues.
- The District's total capital assets decreased by \$12,483,158, primarily due to annual depreciation expense totaling \$12,985,012 offset by additions of \$501,854.

**Financial Analysis**

**Overall Analysis** - The District's overall financial position did not change significantly from the previous year.

**Budget**

The District's operating results are consistent with its operating budgets.

**Capital Assets and Long-Term Debt Activity**

The District's capital assets include the baseball stadium, parking garage, related land, and furniture, fixtures and equipment. The baseball stadium and parking garage are under a long-term lease with the Mariners. In 2017, the District's total capital assets balance decreased by \$12,483,158 from the prior year primarily due to depreciation.

In 2016, the District made a payment of \$9,760,950 to pay off the obligation under excess revenue fund. See Note 8 of the financial statements for further discussion of the obligation under excess revenue fund. There was no new debt obligation in 2017.

**Contacting the District's Financial Management**

This financial report is designed to provide a general overview of the District's finances and to show the District's accountability for the funds it receives. **Note 1 - Summary of Significant Accounting Policies**

The accounting policies of Washington State Major League Baseball Stadium Public Facilities District (the District) conform to accounting principles generally accepted in the United States of America (U.S. GAAP) as applicable to special purpose governments. The following is a summary of the most significant policies.

**The Reporting Entity** - The District was created through the passage of EHB 2115 and King County Ordinance 12000, which was approved by the Metropolitan King County Council on October 24, 1995. The Washington State Governor and King County Executive appoint the District board members. The Governor and King County Council may remove District board members whom they have appointed or ratified. The District operates as a municipal corporation of the State of Washington and was formed to site, design, build and operate a major league baseball park.

**Basis of Accounting** - The District uses the accrual basis of accounting. Expenses are recorded at the time liabilities are incurred and revenues are recorded when earned.

**Operating and Nonoperating Activity** - Operating activities represent revenues and expenses related to the lease, including restaurant tax, admission tax and parking tax revenues. Nonoperating activities are the revenues and expenses related to investments and debt.

**Cash and Cash Equivalents** - For the purpose of reporting cash flows, the District considers all highly liquid instruments purchased with an original maturity of three months or less and investments in the King County Treasury Division's Investment Pool to be cash equivalents. The King County Treasury Division Manager pools and invests all short-term cash surpluses not otherwise invested by individual funds of the County. Earnings from these pooled investments are allocated to the District based upon the District's proportionate share in the pooled investments.

**Receivables** - Receivables are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectable amounts through a charge to earnings and a credit to a valuation allowance based on its assessment of the current status of individual accounts. Balances which are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to receivables. Based on prior experience, management has determined that expected losses on balances outstanding are immaterial at December 31, 2017. Accordingly, no allowance for doubtful accounts has been recorded.

**Capital Assets** - Capital assets include land, the baseball stadium and furniture, fixtures and equipment. The Baseball Stadium includes all costs associated with the development and construction of the ballpark project. Furniture, fixtures and equipment include items with a cost greater than or equal to \$500 and an estimated useful life greater than one year.

Capital assets are valued at historical costs, and depreciated on a straight-line basis based over their estimated useful lives. Furniture, fixtures and equipment are depreciated over three or five years. The baseball stadium is depreciated over 40 years from the date it was placed in service.

**Risk Management** - The District is exposed to various risks of loss related to torts, theft of, damage to, or destruction of assets, errors and omissions, injuries to employees, and natural disasters. The District carries commercial insurance for risk of loss. The District did not settle any claims in excess of its commercial insurance coverage during the year ended December 31, 2017.

PUBLIC FACILITIES DISTRICT**

**Notes to Financial Statements  
For the Year Ended December 31, 2017**

---

**Note 1 - Continued**

**Compensated Absences Payable** - District employees earn 12 days of sick leave and 10 to 15 days of vacation per year, depending on the employee's length of service. An unlimited amount of sick leave and two times the annual vacation allotment may be accrued. An employee leaving the employment of the District is entitled to be paid for all unused vacation. Unused sick leave is forfeited upon termination of employment. There was no accrual for unused vacation in the accompanying statement of net position as no employees were employed by the District at December 31, 2017.

**Reclassifications** - Certain reclassifications have been made to the 2016 amounts to conform to the 2017 presentation. The reclassifications have no effect on the previously reported total assets, liabilities, net assets, or change in net position for 2016.

**Subsequent Events** - The District has evaluated subsequent events through March 27, 2018, the date on which the financial statements were available to be issued.

**Note 2 - Capital Assets**

The following is a summary of changes in capital assets:

PUBLIC FACILITIES DISTRICT**

**Notes to Financial Statements  
For the Year Ended December 31, 2017**

---

**Note 3 - Employee Benefit Plans**

All employees of the District can participate in either the Public Employees' Retirement System (PERS) or the Stadium Public Facilities District (PFD) Retirement Plan (the Plan). Employer contributions are paid by the District in accordance with rates specified by the individual plans.

**Public Employees' Retirement System** - The State Legislature established PERS in 1947 under RCW chapter 41.40. PERS is a cost-sharing multiple-employer system. The District's Board of Directors adopted participation in the PERS Plan in 1996. No District employees participated in PERS during 2017.

**Stadium PFD Retirement Plan** - Employees are able to select the Plan as an alternative benefit plan to PERS. The Plan is designated as a profit sharing plan in accordance with section 401(a)(27)(B) of the Internal Revenue Code. The District makes all contributions to the Plan. No contributions by participants are required or permitted other than rollover contributions authorized by the Plan. The contributions are discretionary but shall be no less than the greater of seven and one-half percent of employee wages or the amount that would be required by PERS. All contributions to the Plan vest immediately. No District employee participated in the Plan during 2016.

**Note 4 - Contributed Capital**

Under King County Ordinance 12000, the County issued five series of general obligation bonds for the purpose of funding the construction of the baseball park and related parking facilities. Total par value of \$336,000,000 less any costs related to bond issuance were contributed to the District. Additionally, the Baseball Club of Seattle, LP (the Mariners) contributed \$137,598,950 for the construction in prior years. During the year ended December 31, 2017, there was no withdrawal. The contributed capital is included in the net position invested in capital assets.

**Note 5 - Deposits With Financial Institutions and Investments**

The King County Treasurer is the ex-officio treasurer for the District. In this capacity, the County Treasurer receives deposits and transacts investments on the District's behalf. The District's deposits are covered entirely by federal depository insurance or uninsured but collateralized under the Public Deposit Protection Commission of the State of Washington (PDPC) collateral pool. The PDPC's agent in the name of the pool holds pledged securities under the PDPC pool.

Statutes authorize the District to: 1) deposit in any state bank or trust company, national banking association, stock savings bank, mutual savings bank, savings and loan association, and any branch bank engaged in banking in this state, if the institution has been approved by the PDPC to hold public deposits; and 2) invest in obligations of the United States Treasury and instrumentalities, banker's acceptances issued in the secondary market, commercial paper, primary certificates of deposits issued by PDPC qualified public depositories, and the State Treasurer's Investment Pool. The District is also authorized to enter into repurchase and reverse repurchase agreements.

All of the District's investments during the year and at year end were insured or registered, or were held by the District or its agent in the District's name. The District does not have a custodial credit risk policy.

**WASHINGTON STATE MAJOR LEAGUE BASEBALL STADIUM  
PUBLIC FACILITIES DISTRICT**

**Notes to Financial Statements  
For the Year Ended December 31, 2017**

---

**Note 6 - Ballpark Rent**

The lease between the District and the Mariners runs through 2018, and calls for base rent of \$700,000 per year, with an annual CPI index adjustment. Total future minimum lease payments to be received under the lease are \$1,400,000, with an annual CPI index adjustment. Rent income for the 2017 season was \$1,026,266. The lease has two five-year extension options.

**Note 7 - Obligation Under Excess Revenue Fund**

Under the lease, the Excess Revenue Fund (the Fund) may be used to fund certain unanticipated Major Maintenance and Capital Improvement Expenses (collectively, "Unanticipated Capital Costs"). The Mariners have the right to obtain reimbursement from the Fund for costs of repairs or maintenance that fall under the definition of "Unanticipated Capital Costs," prior to funds being available. Obligations under the Fund require mutual approval of the District and the Mariners, and are limited to amounts available in the Fund and Fund revenues. The source of funding for the Fund is a 5% admission tax and 10% parking tax. The obligation to be paid under the Excess Revenue Fund is limited to amounts available in the Fund and cannot exceed the Fund revenues. The obligation was paid off in 2016.

**Note 8 - Stewardship, Compliance and Accountability**

There have been no material violations of finance-related, legal or contractual provisions.
