**Statement from the Washington State Major League Baseball Stadium
Public Facilities District Board of Directors**

As the Board of Directors of the Washington State Major League Baseball Stadium Public Facilities District, we are adding our voice to the many who have condemned the killing of George Floyd by police officers in Minneapolis. This senseless taking of a Black man's life has reminded us once again that we continue to live with the long-term harms of systemic racism. We strongly declare: Black Lives Matter.

We join those who have peacefully protested this brutal killing and commit ourselves to working with our partners and neighbors to ensure that T-Mobile Park remains an open, inclusive, and safe place for every member of our community.

Signed,

Stacy Graven, Chair
